A visual, informative introduction to the traditions of Hindu faith and worship

In many ways, attending a Hindu temple is similar to attending church or synagogue, or any other place of worship. In many ways, Hindu temples are distinctive. What do children—and their parents and friends—do in a temple?

When do people go to a temple? How do people prepare to pray? What is the meaning of *Om*? Why are flowers and food brought to the temple? Do Hindus believe in many gods?

Through concise but enlightening descriptions and engaging photos from Hindu temples, Mahendra and Vandana Jani answer all these questions and more.

What You Will See Inside a Hindu Temple **will:**

- Satisfy kids' curiosity about what goes on in temples, broadening awareness of other faiths at an important age when opinions and prejudices can first form.
- Provide Hindu children with a deeper understanding of their own religious tradition.
- Give children the opportunity to ask questions, making them more active participants.
