COVID-19 SCHOOL CLOSURE ANNOUNCEMENT

In the interest of everyone's well being during the current health crisis, Vivekananda Vidyapith has decided to suspend all activities, including Annual Function, through Friday, April 30th, 2020.

Teachers have been communicating with families to continue classes remotely.

We hope to reopen at the end of this period, but will be closely monitoring events as they unfold and will make a final determination closer to that time.

We encourage everyone to follow the CDC guidelines with respect to regular hand-washing (minimum 20 seconds), the use of hand sanitizers, coughing and sneezing into your elbow or tissue, not touching your eyes, nose and mouth with unwashed hands, and limiting unnecessary travel.

Our very best wishes and prayers for everyone's safety and well being.
